FERRARI SILICON VALLEY

Ferrari is synonymous with performance and authenticity. That's why Ferrari Silicon Valley's Ferrari Approved Pre-Owned vehicle program is held to the highest standards.

Every Ferrari Approved Pre-Owned vehicle must pass a rigorous 101-point technical inspection executed by our specially trained technicians, ensuring each vehicle is of the highest caliber.

Additionally, every Ferrari Approved Pre-Owned vehicle is inspected for mileage, ownership history, and identity. By doing this, our technicians affirm that the proper maintenance and assistance needed have been carried out before the keys end up in your hands.

We support this with a comprehensive warranty program, covering any and all spare parts and repairs that may be required. This warranty comes with a year of roadside assistance, protecting you from any potential problems on the road ahead.

Visit Ferrari Silicon Valley today and explore our extensive inventory of Ferrari Approved Pre-Owned vehicles. To learn more and schedule an appointment, please contact our team at Ferrari Silicon Valley.
