Disclaimer. While it is a major function of the Alfa Romeo Association (Northern California) to publish technical information, any maintenance, technique or possible modification published in *Overheard Cams* should be weighed against conventional, traditional and generally accepted techniques and modifications. The views expressed in *Overheard Cams* articles are those of the author or person quoted in the article, and are not necessarily those of the ARA or FCA US. Modifications or procedures presented herein might violate state or federal laws and/or void warranties. Alfa Romeo Association and this publication will not assume liability for any such consequences. Publication of an advertisement in the *Overheard Cams* does not constitute an endorsement by the ARA of the advertiser.

Copyright. *Overheard Cams* is the official publication of the Alfa Romeo Association (Northern California). Unless otherwise noted, permission is granted to other car clubs to reproduce original material contained herein, provided that credit is given to the author(s), photographer(s), and *Overheard Cams*. Car clubs reproducing original content are requested to provide e-mail notification of their usage to the *Overheard Cams* editor. Copyrighted material cannot be reproduced without the permission of the copyright holder.
